

Qube! For Education

PipelineFX is dedicated to providing education and digital media programs of all sizes with the best render farm management solution at an affordable price. **PipelineFX** is proud to be your partner in the training of tomorrow's talent.

Qube! provides schools a powerful and flexible management system that maximizes their investment in resources. With **Qube!** students get more iterations, and competition in the classroom for scarce resources is reduced. **Qube!** is flexible and able to integrate into any environment.

Benefits for Education

- Special educational pricing
- Flexible licensing models
- Seamless integration - students submit jobs from within top CG applications, e.g. *Maya*[®], *3ds Max*[®], *XSI*[®], *Fusion*[®], *NUKE*[®], *After Effects*[®], *Lightwave*[®], etc.
- GUI for job submission, monitoring and controlling jobs
- Floating license to harness dedicated render hosts or stand alone workstations
- Cross platform support for Windows[®], Mac OSX[®] and Linux[®]
- MySQL database backed for speed and reliability
- Professional technical support, 24 x7
- Students gain experience with real world production tools

Which Qube! license model is right for your program?

PipelineFX makes it easy. Pick the licensing model that fits your school's needs: perpetual or annual. All licensing is per render host and offers deep educational discounts.

Annual licenses offer a lower entry price and a structure that makes budgeting easy. Support is bundled with all annual license packages. As your licensing needs change – simply pick the package that best meets your needs each year.

Qube! for EDU	Render Hosts	Support	Price
Lab Package	Up to 30	Included	\$1,500
Department Package	31 to 100	Included	\$5,000
Academy Package	101 to 200	Included	\$10,000
Campus Package	201 + Hosts	Included	\$25,000

Perpetual licenses offer a one time investment in **Qube!** and support can be selected on an annual basis.

Qube! for EDU	Render Hosts	Support	Price
Standard EDU	Any Number	\$30 per host/year	\$150/host
