

Hello and Welcome to our Qube! Online Demo

Reminder:

The Qube! 6.8-0 release date has changed from July 27th to August 11th.

And today's demo will be short but **SWEET!**

After a quick run through the slide deck, we'll be showing you the latest with the **new Qube! UI**.

SIGGRAPH2015

Xroads of Discovery

Conference 9-13 August 2015
Exhibition 11-13 August 2015

We'll be at SIGGRAPH!

Drop in and see us at **booth #801**.

Then join us for a PipelineFX-organized Birds of a Feather event to discuss the pros and cons of studio cloud rendering. We'll have representatives from Google Cloud and Arc Productions (more to be announced). This will be held on **August 11th in Room 507 of the LA Convention Center from 10:00 a.m. - 11:30 a.m.**

Reminder: we have newly re-vamped online forms for License Rental and Subscription. If you already own the base package, expand your farm quickly @ pipelinefx.com
